

Harvest

2025

Jesus' words in Luke 10:1-4

(below) resonate deeply in today's world:

"The harvest is plentiful, but the workers are few." Across the globe, the need remains great: for hope, healing, justice, and the Good News of Jesus. International Needs stands faithfully in that gap, sending and supporting workers not only to proclaim the Gospel but to live it out in practical, transformative ways.

This Harvest season, join us in praying and supporting the field workers around the world, as our partners work to plant and reap fruit for God's kingdom. Our partners work in a variety of contexts to bring tangible help, justice and God's word.

Here are some examples of
how our partners are working
their **harvest fields** →

Luke 10:1-4 (NIV)

After this the Lord appointed seventy-two others and sent them two by two ahead of him to every town and place where he was about to go. 2 He told them, "**The harvest is plentiful, but the workers are few.** Ask the Lord of the harvest, therefore, to send out workers into his harvest field. 3 Go! I am sending you out like lambs among wolves. 4 Do not take a purse or bag or sandals; and do not greet anyone on the road.

EGYPT

In Egypt, our Pastor **shares the Gospel in an Arab context.** Working with Syrian and Sudanese refugee children, he provides them with school supplies and supports women fleeing violence.

Their ministry also focuses on training future workers, running a Bible school for trainee pastors to work in unreached parts of Egypt.

UGANDA

In rural Uganda, disability is often thought of as a curse, or a manifestation of wrongdoing. Therefore, **children with disabilities are hidden** from their communities, and families. They can be neglected and denied access to their basic needs including medical care, mobility aids and an education.

15% of children in Uganda have a disability yet only 9% of disabled children attend primary school. Our team are changing this. By training community leaders to lead by example in inclusion, disabled children are being welcomed into churches and schools, transforming their lives and of those to come.

ROMANIA

In Romania, **Ukrainian refugees** are being provided with **security, education and trauma counselling.** Tanya, the psychologist works with over 40 children and young people to understand their experiences, while their parents are supported to find jobs and settle.

There is also an Alpha Course, initially run by the teenagers themselves, now reaching their parents with the Gospel message.

This

Harvest

This Harvest, can you join us in sending out workers for the field?
Could you give to **support our partners' vital work** in communities
that desperately need help and the **Christian message?**

Ways you can help:

**Encourage your church to support
IN this Harvest through giving**

**Consider a 3-year commitment
to regularly support IN**

**Keep our projects
in your prayers**

**Organize a fundraiser to
benefit IN's mission**

Please donate via cheque to our office (address below)
or BACS transfer (please enquire for bank details).
